18-19-20 soruları paragrafa göre cevaplayınız.  
Recep started school at the age of six.

Unfortunately, he lost his father at the age of twelve. They moved to the city because his mother had to work. His mother couldn't find a job. Recep's mother cooked some local dishes and Recep sold them in a basket at the stadium when there was a football match. Everybody liked his dishes. On weekdays, he went to school in the morning and did the washing-up in a small restaurant in the afternoon. When he finished high school, he ran a restaurant. He cooked delicious dishes. Then, he opened a big restaurant in the centre of the city. He took the patents of his own dishes. A lot of people have eaten his delicious dishes since 1986. He has opened a lot of restaurants in Turkey. Recep Budak is going to open new restaurants around the world because he'd like to represent the Turkish dishes well.
