Note: "mis-" means "wrong" or "by mistake".
"re-" means "again" or "once more".

Complete the following story with "mis-" or "re-".

Sedat had a bad day

Sedat works in the personal department of Istanbul Police College. Two days ago a new constable came up to his desk to ask about his vacation. He didn't recognize him. He _____ took him for a visitor. At the end he realized that he was a new constable. But when he said hello to him, he _____ pronounced his name. Then he couldn't find his application for a vacation. He told him that someone had _____ placed it and he should _____ apply. He took out a new application and wrote his name at the top. Unfortunately, he _____ spelled his name, so he had to erase it and _____ write it. While the constable was filling out the application, Sedat began to feel a little disorganised, so he started to _____ arrange the papers on his desk. That time he _____ placed the constable's file, and he had no place to file his new application.

Does Sedat usually _____ manage everything? Does he usually make this many _____ takes? Does he usually _____ pronounce people's names? Does he usually _____ spell people's names and then have to _____ write them? Do important files usually disappear until they magically _____ appear a few days later? No. Don't _____ understand him. He is an excellent constable. He just had a bad day.
